Experience

Web Designer

Pirelli Tyres

Dec 2016 - Ongoing

I am part of the team in charge of designing and developing interfaces for the Pirelli Calendar, the Formula 1 project, and any other business needs.

Founder

UIBoat

Jun 2022 - Ongoing

A platform that I work on in my spare time, with the goal to make assets easily accessible for creatives.

UI Designer

TLK Game Dev

Aug 2016 - Jun 2022

Research, document, and design icons that follow the game's pixel style and are historically and geographically accurate.

HR Intern

Adecco Human Resources

Jun - Aug 2016

Proactively source passive candidates on LinkedIn and other mediums. Create ads and job descriptions for each position. Assist or lead first round interviews with applicants.

Education

Google UX Design

Google

Oct 2021 - Mar 2022

A comprehensive training program offered by Google that focuses on UX design. The course covers various design tools and techniques and provides hands-on experience in UX design projects.

IT and SE

University of Craiova

2017-2019, M.A.

Information Technology

University of Craiova

2013 - 2017, B.S.
